Full remote access and notification through Z Control®

Z Control® products connect to a secure 2.4 ghz Wi-Fi network. If only a wired network is available, use of a low-cost access point (provided by others) is necessary to create a Wi-Fi network.

Enjoy all these features at <u>no cost</u>:

1. Z Control® Basic Account
   • Easy installation and set-up
   • Free basic phone support
2. iOS and Android apps
3. Remote access for alarm notification
4. Notifications via email, mobile app push, and text*

text limitations apply
